                                                                          And who was your boss at BabyBus at
                                                                   Q.
 5
          H-s-i-n-b-e-i.
                                                          5
                                                              the time of the initiation of the Super JoJo
                And where do you work?
                                                          6
                                                              project?
 6
          Q.
 7
                                                          7
          Α.
                I work at the Taiwan branch of
                                                                   Α.
                                                                          At that time the team lead for the
 8
     BabyBus.
                                                          8
                                                              JoJo project was Xiangyin Lin, X-i-a-n-g-y-i-n,
9
                And when did you start working for
                                                          9
                                                              last name L-i-n.
          0.
                                                         10
                                                                         And as the planner for Super JoJo,
10
     BabyBus?
                                                                   0.
                                                              did you watch CoComelon videos?
11
          Α.
                Roughly in 2018.
                                                         11
12
          0.
                And what was your position in 2018
                                                         12
                                                                         At the initiation of any project we
                                                         13
                                                              would -- would always try to collect as much
13
     when you started at BabyBus?
14
                My position at the time was product
                                                         14
                                                              information about any competitive products. So
          Α.
                                                         15
15
     planning.
                                                              we would not only look at CoComelon's videos
                                                         16
                                                              but we would also look at many others such as
16
          Q.
                And you were part of the product
17
     planning team at BabyBus for Super JoJo; right?
                                                         17
                                                              the Pinkfong, F-o-n-g from Korea, LooLoo Kids
                That's correct, I was one of the
18
                                                         18
                                                              and Super Simple Song.
19
     planners for the JoJo project.
                                                         19
                                                                         MR. TYZ: I'm going to object as
20
                And you were one of the planners for
                                                         20
                                                                   nonresponsive.
     the JoJo project from the beginning of that
                                                         21
                                                                          It is important that you just listen
21
                                                              to my question and answer just the question
     project; correct?
                                                         22
22
23
                Correct, I was already a member of
                                                         23
                                                              that I was asking. Your counsel, Mr. Stake, at
          Α.

## Case 3:21-cv-06536-EMC Document 206-8. Filed 01/10/23 Page 5 of 8

			n 20
1	O. JoJo is the main character of the	1	so whatever a real kid could do, JoJo pretty
2	JoJo show; right?	2	much could do.
3	A. Correct.	3	MR. TYZ: I want to object as
4	Q. And JoJo is intended to be a baby of	4	nonresponsive.
5	a year and a half; correct?	5	Q. Does JoJo sing?
6	A. The actual age of JoJo, I do not	6	A. If there was a episode that was
7	really remember that. I need to go back and	7	-
	-	'	planned for him to do that excuse me, let me
8	look at the original documents.	8	do it again.
9	Q. What original documents are you	9	If a project if we had if we
10	referring to?	10	had a project that includes included him
11	A. There would be some documents that	11	dancing, then I would think so.
12	designs the characters or the rows. For	12	Q. My question was about singing.
13	example, what will be the mother's name, what	13	There are videos in which JoJo sings along;
14	will be the name of the baby, and what age.	14	correct?
15	Q. And the main character JoJo he	15	A. If you are talking about in the
16	walks; right?	16	music whether there is any singing rows or any
17	A. Yes, he can walk.	17	conversation, I believe he sometimes sings.
18	Q. And he does walk in some of the	18	Q. And JoJo has a supporting cast of
19	videos; right?	19	characters; correct?
20	A. Yes.	20	A. Yes.
21	Q. And JoJo dances?	21	Q. He has a mother and father; correct?
22	A. Towards the later series, yes, he	22	A. Yes.
23	did.	23	Q. He has an older brother and older
24	Q. And JoJo sings?	24	sister; correct?
25	A. JoJo was modeled after a real kid,	25	A. Yes.
	Page 4	1	Page 41
1	Q. And he has a pet dog?	1	A. It looks like a PowerPoint.
2	A. Yes.	2	Q. And it is a PowerPoint titled Young
3	Q. Named Bingo?	3	Children's Channel that was prepared by your
4	A. Yes.	4	boss at the time, Ms. Lin; correct?
5	Q. Just like JJ of CoComelon?	5	MR. STAKE: Objection to form.
6	A. Bingo, the name Bingo was used was	6	A. Correct, I believe so.
7	because there was an English song called Bingo.	7	Q. And you have seen Exhibit 20 before;
8	MR. TYZ: Object as nonresponsive.	8	right?
9	MR. STAKE: Opposed.	9	A. She did a presentation at one point.
1			
LIU	U. 1000 Has a bet dod halled billion	10	O. Of Exhibit 20 in which you attended:
10		10	Q. Of Exhibit 20 in which you attended; right?
11	correct?	11	right?

                MR. TYZ: I guess we're going to
                                                                         (Exhibit 26 marked.)
                                                Page 56
                                                                                                         Page 57
                And Exhibit 26 is another internet
                                                                        And there are no references to the
1
          0.
                                                         1
 2
     printout this time of Yes Yes Vegetable Song by
                                                        2
                                                             content of any other competitor of BabyBus in
     CoComelon. Do you see that?
 3
                                                         3
                                                             Exhibit 20, is there?
 4
                                                        4
                Give me a second. Yes, I see it.
                                                                        MR. STAKE: Objection, form.
          Α.
 5
                Do you see that internet address
                                                        5
                                                                         I believe that the -- the planning
     matches the second link on page 49 of Exhibit
                                                             document wanted to have -- to create a look and
6
                                                        6
7
     20, which is the planning document of BabyBus
                                                        7
                                                             feel similar to CoComelon's. I'm not sure
8
     for Super JoJo?
                                                        8
                                                             about the other competitors products whether
9
                Yes, yes, they are the same.
                                                        9
                                                             they had the same look and feel, but maybe that
10
                So if you look back at Exhibit 20
                                                        10
                                                             is why it wasn't mentioned in there.
                                                        11
                                                                        MR. TYZ: I have no further
11
     under the product specification pages that
12
     range between page 46 and 50, the only pictures
                                                        12
                                                                  questions at this time. Subject to later
                                                        13
                                                                  given the issue of communications, but that
13
     of characters over those pages are of the
14
     CoComelon's baby JJ character; correct?
                                                        14
                                                                  is all I have, Sam.
